IF Payroll & HR renews its ISO 9001 :2008 certification

IF Payroll & HR, located at 45, rue des Scillas in Howald, obtained the renewal of its ISO 9001 :2008 certification.

IF Payroll & HR renews its ISO 9001 :2008 certification for **all its payroll activities, including the management of payroll services**. This is **the first payroll provider to be ISO 9001 certified** in Luxembourg.

Received in 2012 after the successful introduction of a Quality Management System, this internationally recognized certification has been recently renewed for three more years, under the condition of a yearly validated audit. The certification was awarded by SNCH, Société Nationale de Certification et d'Homologation.

This certification confirms that the quality policy already managed by IF Payroll & HR aims for the continual improvement of all the work processes whether at payroll management or at all other support levels.
