PAYROLL & HR

ONLINE

Do you want a single payroll provider able to offer a global solution for your company's payroll and staff management?

Would you like to guarantee the security and integrity of your data as well as secure online access? Are you looking for an advisor and proactive partner?

Driven by the needs of current generations, while at the same time anticipating those of future generations, IF Payroll & HR and IF Online (IT provider) have combined their technical expertise to develop new technological solutions to give your HR administration a boost!

⊙ NATIONAL AND INTERNATIONAL CLIENTS

- SMEs, service providers, businesses, banks, insurance companies, audit companies, large industrial and financial groups and professionals
- Exclusive partner of ADP Streamline in Luxembourg (5.4 million payslips worldwide)

⊙ OUR COMBINED AND/OR "À LA CARTE" SERVICES

- Calculation of salaries with secure remote access
- Electronic solutions for employees and HR/finance departments
- Administration of human resources
- Management of obligations vis-à-vis Luxembourg official bodies for social security, tax and employment matters
- Payroll outsourcing: assistance, organisation, preparation of wage payment instructions, HR administration, etc.

⊗ OUR ASSETS

- Our existing and loyal client base
- Our industry recognised expertise with solutions that meet your needs
- Our ISO 9001 certification (Quality Management): quality control, audits, continuous improvement of our performance, client satisfaction, etc.
- IF Group and its entities
- Founding member of ServiceAcademy: our clients are our main concern

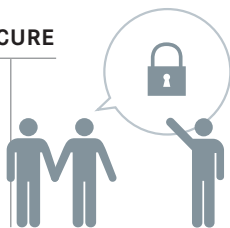

⊕ OUR PRIORITIES AND COMMITMENTS

- Customer service and satisfaction
- Proactivity in our areas of expertise
- Respect of data confidentiality
- Meeting client and regulatory requirements
- Flexibility to accommodate your needs

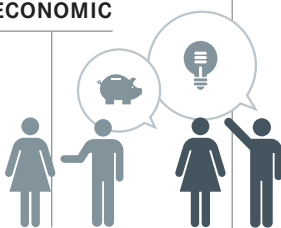

⊕ YOUR ADVANTAGES

- A reliable, proactive and reassuring partner
- Your data stored in Luxembourg
- Direct, secure access to your data (24/7)
- More time to deal with the strategic tasks your core business entails
- Control of outsourcing fees during a fixed period
